

**TD SYMPOSIUM
AUGUST 25, 7:30 TO 8:30 AM**

TD Insurance, in association with Deloitte, ClimateWise and the Insurance Board of Canada, is pleased to invite you to "**Climate Change-Related Risks and Opportunities in the Insurance Sector**" Breakfast Symposium.

This Symposium will be a unique opportunity to be front and centre at this discussion on the future of the insurance sector in a context of climate change.

The following is an overview of the program:

M.C.

- Alain Thibault, Senior Advisor, TD Insurance

Moderator

- Henry Blumenthal, Vice President and Chief Underwriter, TD Insurance

Panelists

- Johanne Gélinas, Partner, Sustainable Development and Climate Change, Deloitte, speaking on the topic of "Opportunities and Risk Management"
- Jack Chadirdjian, Director of Public Affairs and Consumer Relations, Insurance Board of Canada, speaking on the topic of "Overview of the Canadian Situation"
- Andrew Voysey, Secretary, ClimateWise and Program Manager, University of Cambridge Programme for Sustainability Leadership, speaking on the topic of "Best Practices and Future Prospects"
